view from cottage window

This small family-owned cottage is on a narrow, quiet street halfway down the cliff on the west side of Whitby harbour. It has a lovely view across the harbour to the abbey, and is within close walking distance of shops and the beach.

Accommodation

The cottage was originally built above a fisherman's warehouse and thus on the ground floor there is simply an entrance hall, toilet and stairs up to the next floor.

The first floor opens out to a living room area with tv, dvd player and ipod/cd player, and a fully equipped kitchen area including electric cooker and microwave. There is also a shower room with toilet.

On the second floor are two interconnecting bedrooms. The larger has a king size double bed and wash basin. The smaller has a single bed and a single futon bed/chair. USB charging sockets and an iron and hair dryer are available.

The cottage has electric heating throughout and is smoke-free. It does have steep stairs which some may find difficult.

We can provide bed-linen and towels at a charge of £13.00 per person if arranged in advance. Alternatively guests are welcome to bring their own.
